

# Math 8 Code of Conduct & Expectations

Welcome to Math 8. This course is designed to help students build confidence, strong thinking skills, and a positive relationship with mathematics. To support a safe, focused, and respectful learning environment, we ask all students to follow the expectations outlined below.

## Math 8 Learning Expectations

### **In Math 8, students are expected to:**

- Come to class prepared with required supplies
- Participate actively in lessons, group work, and discussions
- Show thinking and reasoning, not just final answers
- Ask questions and take learning risks
- Learn from mistakes and view challenges as part of the learning process

Math is about understanding, explaining, and problem solving. Effort and perseverance are valued.

## Classroom Conduct

### **To support learning for everyone, students agree to:**

- Be respectful to classmates, the teacher, and learning spaces
- Listen when others are speaking
- Work cooperatively during group activities
- Stay on task during learning time

Disruptive behaviour that interferes with learning will be addressed according to school policies.

## Use of Technology

- Scientific calculators may be used when appropriate
- Phones are not permitted as calculators
- Personal devices should only be used when explicitly allowed for learning purposes

## Attendance & Responsibility

### **Students are responsible for:**

- Checking the class website for lesson information and resources
- Completing assigned work
- Communicating with the teacher if they are absent or need support

# Home–School Connection

## Families are encouraged to:

- Visit and bookmark the Math 8 class website at **math.codemathbike.ca**
- Discuss learning expectations with their child
- Support positive study habits and organization
- 

## Acknowledgement

Please review this Code of Conduct together. By signing below, you acknowledge that you have read and understand the expectations for Math 8.

Student Name: \_\_\_\_\_
